Our nurturing environment will provide hands-on experiences and activities that are appropriate to each child's needs.

GOALS

Our teachers will act as facilitators that will aid each child in the following ways:

- :: Develop self control
- :: Respect others
- :: Develop small and gross motor coordination
- :: Be exposed to age appropriate music and literature
- :: Be sensitive towards the feeling of others
- :: Gain knowledge and understanding of our environment and our responsibilities in it

- :: Develop good communication skills
- :: Provide the tools and skills needed to succeed in kindergarten
