

TUITION AND PAYMENT OPTIONS

You may choose your payment options one of two ways:

1. The annual tuition may be paid in full at the time of registration. If you choose this option, you will receive a 5% discount off tuition.
2. The annual tuition can be divided into 9 equal payments. The first installment of tuition payment is due August 1 with billing to begin in September through the month of April. We understand that your child is basically enrolled from September–April but by breaking down the yearly price into 9 payments, it will make each installment more affordable.

All payments can be made by cash, check, credit card or house account.

There is a sibling discount of 5%. Regular rate maintained on highest tuition.

Students must be members of the Bel Air Athletic Club to receive the member rate and must remain a member throughout the dance year to maintain the discounted rate.
