## ABOUT OUR PROGRAM

We offer proven successful development and competitive pathways which will cover all the core competencies your child needs to become a better tennis athlete. Our tennis coaches are certified career tennis professionals who are passionate about tennis and participate in bi-weekly trainings to seek out new ways to provide a better on court experience. You will select the level and day(s) for which you want to sign up your child, and our experienced coaches will place them on the appropriate court with the players most similar to his/her level.
