SUMMER CAMP 2023

Blast! Summer Camp travels the world from the African plains, to the mountains of Asia, to Australia's Gold Coast. Along the way we'll learn about the unique cultures, games and sports of each diverse continent. And throughout the summer we'll promote kindness, friendship, unity and respect while celebrating that which makes each of us so special.

There's so much that we share that it's time we're aware...
It's a Small World After All!

A Day at Camp

We'll exercise your child's fitness with 30 minutes of stretching and movement taught by nationally certified trainers, enjoy 2 hours of free swim time daily, play a variety of team sports including soccer, basketball, kickball, flag football, tennis, volleyball, cheerleading and more. Add arts & crafts and the introduction to the unique cultures of our small world and realize an unparalleled summer of friendship and discovery.

Our Team

Every moment of every day is filled with laughter because we "get" kids. Our CPR certified counselors are background-checked and chosen for their enthusiasm, leadership, athletic experience, and most importantly, their ability to connect with your child.

Blast! Camp Olympics

At summer's end, we bring it all together at our Camp Olympics, where the skills and training developed throughout our active summer play out in friendly competition.

Our opening ceremony will feature hand-made flags representing a country or continent visited during our summer long journey.
