Summer Camp 2024

Register for a Summer of Adventure at wellbridge.com/cac-blast

FLATIRONS
MAY 28 – AUGUST 9

MONACO
JUNE 3 – AUGUST 9

Blast!

into a World of Imagination!

Summer camp embraces the adventurous and curious spirit that exists within all of us. We'll each design our own Planet 9 (after learning about the eight planets in our Solar System); discovering a world of our own creation. What will your land look like? And your people? What foods will you eat? What is transportation like? These are just the first of many questions we'll explore as we forget what we know and instead challenge ourselves to imagine and wonder.

There is a meadow where flowers of purple and red dance in the breeze. Just beyond the meadow, a stony path leads to a waterfall that cascades over huge boulders and gathers in a pool of turquoise. The pool is cool; the rocks warm from our bright pink suns. This is my favorite place on my perfect planet...

A Day at Camp

Active Bodies

We'll exercise your child's fitness with 30 minutes of stretching and movement, enjoy 2 hours of free swim time daily, play a variety of team sports including soccer, basketball, kickball, flag football, tennis, volleyball, cheerleading and more.

Active Imaginations

Add arts & crafts, where we'll focus on your unique Planet 9, and realize a summer of active creativity and discovery.

BLAST! Camp Olympics

At summer's end, we bring it all together at our Camp Olympics, where the skills and training developed throughout our active summer play out in friendly competition.

Art projects representing Planet 9 will be presented to a panel of judges to complete our camp scores.

Our Team

In our state licensed programs, every moment of every day is filled with laughter because we "get" kids. Our CPR certified counselors have gone through rigorous state required training, are background checked and chosen for their enthusiasm, leadership, athletic experience, and most importantly, their ability to connect with your child.

Summer Camp

CAC Flatirons: May 28–August 9

CAC Monaco: June 3–August 2

9AM–4PM
