Under the Sea!

Beyond the ken of mortal men, beneath the wind and waves,
There lies a land of shells and sand, of chasms, crags and caves,
Where coral castles climb and soar, where swaying seaweeds grow,
And all around without a sound the ocean currents flow.

A Day at Camp

ACTIVE BODIES

We'll exercise your child's fitness with 30 minutes of stretching and movement, enjoy 2 hours of free swim time daily, play a variety of team sports including soccer, basketball, kickball, flag football, tennis, volleyball, cheerleading and more.

ACTIVE IMAGINATIONS

Add arts & crafts, where we'll encourage your child's ideas to rise and flow, and soak up a summer of active creativity and discovery.

Our Team

In our state licensed programs, every moment of every day is filled with laughter because we "get" kids. Our CPR certified counselors have gone through rigorous state required training, are background checked and chosen for their enthusiasm, leadership, athletic experience, and most importantly, their ability to connect with your child.

Blast! Camp utilizes activity to explore creativity and learning in an energetic, nurturing and fun environment. In 2025, we'll continue to enjoy our daily camp routine with the addition of exploring the deep blue sea. Curious "oceanauts" we'll be, learning fun and interesting aqua facts. Submerging into marine life, letting our minds drift till a counselor calls us back. We'll embark on a summer-long voyage, from sea turtles to sharks. And of course the gregarious sea lion, who is known for its bark.
