

August 7, 2023

Valued Member,

After much analysis and soul searching on how we can best serve Colorado Athletic Club members to the standards of our brand, we have made the difficult decision to consolidate our Denver-area clubs, resulting in the closure of our Inverness and Union Station locations. Both locations will permanently close at **7PM on Thursday, August 31.**

Members will have immediate access to any one of our five other Colorado Athletic Clubs. Union Station members will find the Tabor Center location just a few blocks down the 16th St. Mall. The Tabor Center Club adds amenities highlighted by an indoor, saline pool, heated yoga studio and full-service café. The Inverness community will enjoy Colorado Athletic Club-DTC's executive-focused location off 1-25 and Belleview and/or the family, tennis and outdoor pool location at Monaco & Yale. We hope to welcome you to one of our family of clubs. Look for the same friendly and welcoming teammates as your current club! We hope to transfer as many of our teammates as possible to our other locations.

You likely have questions regarding your membership. For your convenience, we're striving to answer your most frequently asked questions at [coloradoathleticclubs.com/consolidation](https://coloradoathleticclubs.com/consolidation). On this same website, we ask all members to select one of the two options below before August 31, 2023:

- Transfer your membership to a different Colorado Athletic Club - By taking this action before August 31, 2023, you will reserve your current membership dues rate.

OR

- If you decide not to continue your membership, fill in the cancellation form and no additional monthly dues will be charged as of September 1, 2023.

We will plan for you to continue your membership until we receive one of the above mentioned form submissions from you; thank you for taking the action requested. If you don't find answers to your questions or concerns, please email us at **CACquestions@wellbridge.com** and provide the following:

- :: First & Last name
- :: Birthdate and/or membership account #
- :: Specific question you have regarding your account.

Please be as detailed as possible for us to assist you in the most expedited way.

Although we will have teammates dedicated to handling member emails, it may take up to 3 business days to respond.

Thank you for all of the memorable moments you've shared with us at Union Station and Inverness over the years. We are excited to continue these relationships at any of our other five Colorado Athletic Club locations!

**With gratitude,  
Your Club Team**
